SCENT RITUAL

Your morning ritual.

Choose your companion. Add a few drops to
your diffuser, and let the day open — clear,
bright, yours.

This morning, who keeps
you company?

Fresh Morning — the one who opens the curtains.

Never in the room alone.

Meet your companions.

Eight scents. Choose by feeling, not by clock.

Fresh Morning — The one who opens the curtains.

Deep Focus — The quiet coworker.

Zen Moment — The one who listens.

Good Night — The one who stays.

Sweet Orange — The cheerful one.

Lavender — The calm one.

Peppermint — The sharp-witted one.

Cedarwood — The steady one.

Choose yourself.

For your diffuser.

Add 10-15 drops to a compatible diffuser. Start with the lowest suggested number and increase to your preference.

Please see packaging for full usage instructions, safety precautions and risks. For home fragrance only. Do not swallow or apply to skin. Keep oils out of reach of children and pets.
